

Heaven In Business – South Jersey

April 21, 2018

This month's Heaven in Business focused on showing God's love outside of the church's walls. What does it mean to be an evangelist? Speaking the Good News and showing people God's love is the core of evangelism. We discussed ways people have impacted our own lives by showing love. How their actions made us feel valuable and important, which is how Jesus made everyone around Him feel.

This month's challenge was to ask God how to show His love either in this season or just in the moment to someone in our workplace. To step out even further than just carrying out the action, but to tell the person why God told you to do this action. Write down your testimony, how you felt and how the person reacted. We are so excited to hear these stories next meeting!

The following scriptures were discussed in this month's teaching: Romans 12:9-21, Romans 12:8, Proverbs 3:27, 1 Thessalonians 5:14, 1 Corinthians 13:4-5, Matthew 10:10, Hebrews 13:16
