

Heaven In Business – South Jersey

April 20, 2019

After a month break we were excited to hear the many amazing testimonies of how God has been moving in workplaces. We heard several testimonies of God's favor and blessings, team members stepping out boldly, and divine appointments. We love hearing your testimonies!

The teaching for this month focused on the question, *Why would people in our workplace want to follow our Jesus?* We focused on assessing our internal world to see if we are allowing worry, stress, fear and other negative things to change our behavior. We asked ourselves how we react when things don't go our way? Are those reactions different than those who don't have a relationship with Jesus?

The teaching reminded us that God gives us our *daily* bread, and that His mercies are new *every day*. We were prompted to keep our focus on the present and to take things one step at a time. The teaching also encouraged us to become vulnerable with a Godly person we trust to talk to about the things causing us the negative thought processes, and of course to always run to God for the truth of every situation.

We were challenged to continuing asking ourselves the same questions throughout the month while using the tools provided. We are excited to hear the testimonies!

Scripture used in this month's teaching: 1John 3:18-20, Luke 12:22-25, Mark 6:30 and 46, Matthew 26:36-46, 2Corinthians 12

Love & God's Blessings,
