

Heaven In Business – South Jersey

January 20, 2018

In this month's Heaven in Business we discussed building God's kingdom by walking the walk every day and every way in our work places. Our thought processes towards our jobs were challenged by asking questions like: Would I promote myself? Do I take sick days just because I have them? Do I own my company's vision statement? How much time do I spend at work talking about God and not working? What is my entitlement? What do I do when I have down time at work? How is my attendance?

Throughout the month continue to assess your attitude and thoughts about work. Continue to ask yourself the tough questions and remember that *your* Business is God's Business.

Ask yourself again: If you were to never to speak a word at work, would anyone know you are a Christian?

The following scriptures were discussed in this month's teaching: 1 Corinthians 15:58, Philippians 2:14-16, Proverbs 15, Proverbs 16:11, Proverbs 22:29, 1 Thessalonians 4:11-12, 1 Thessalonians 5:13-15
