

# Heaven in Business – South Jersey

March 17, 2018

This month's Heaven in Business was all about promotions. The definition of promotion: *activity that supports or provides active encouragement for the furtherance of a cause, venture or aim. Action of raising someone to a higher position or rank.* With the definition in mind ask yourself: How does God promote? What does a spiritual promotion look like? Just as employees build trust with their employers by how they conduct themselves in a trying or difficult situation, we build trust with God by how we react to trying or difficult situations. Until these difficult scenarios come up we don't know how we will react, but how do we change our reactions? Fasting and praying. We fast and pray to get out of the pit. We do not do this to make God do something, but to focus on and remind ourselves that God's word will come to pass. Even if we aren't in a pit or valley, keep praying and seeking God just as much. Don't wait till your world is falling apart to ask God to put it back together.

Challenge yourself this month to ask God for a sign of encouragement. Declare these declarations over yourself daily:

1. God wants to restore lost business, finances, health, heart, family and home
2. God will restore business, finances, health, heart, family and home
3. God delights in restoring business, finances, health, heart, family and home

Choose to let God promote you!

*The following scriptures were discussed in this month's teaching: 1 Timothy 3:10, Proverbs 28:20, Judges 39:40*

Denise Santore  
Heaven In Business

\*Our Next Meeting is on Saturday, April 21, 2018. 8:45am for breakfast; 9am-11am for meeting
